5. The instructor objectively and equitably interacted with the class.	4	3	2	1	

Please share three key things you learned from this session:

Name:
(Print)

Session Date:

Please take a few moments to respond to the following questions. Your answers will greatly assist us in determining how to improve our continuing education services.

1. How might this professional learning experience influence student learning in your classroom or educational assignment?

2. How will this professional learning experience support curriculum and/or technology initiatives in your classroom/district?

3. Did the course/activity announcement or description offer enough information for you to make an accurate enrollment decision?

4. What kinds of additional learning experiences do you need in the future?

5. Whom might you recommend as future instructors?
