Number Ninjas (PRIMARY K-2)

Presenters: Curriculum Department
Time: August 8-9, 2022
Location: TIU 11 *
Cost: \$75/student

Using a variety of fun hands-on activities, students will explore many different mathematical concepts that will help them apply these skills in a learning and playful environment.

Minimum: 10 Students

Number Ninjas (INTERMEDIATE grades 3-5)

Presenters: Curriculum Department
Time: August 10-11, 2022
Location: TIU 11 *
Cost: \$75/student

Using a variety of fun hands-on activities, students will explore many different mathematical concepts that will help them apply these skills in a learning and playful environment.

Minimum: 10 Students

What's Your Super Power? Building Resiliency

Presenter: Denise Shugarts, LSW
Time: June 6-7, 2022
 Grades 2-5 8:30 - Noon
 Grades 6-8 12:30 - 4:00
Location: TIU 11
Cost: \$75/student

Each of us is born with superpowers! In this camp, each participant will discover what makes them strong. We can discover our own superpowers by building resiliency through self-expression, team building, and wellness practices. Participants will have the opportunity to practice the powers of Mind Control (self-awareness techniques, mindfulness, self-expression) and Strength Building (team building & yoga techniques).

Minimum: 10 students
Maximum: 15 students

Career Exploration

Presenter: Stephanie Daniels
Time: July 21, 2022
Location: TIU 11 *
Cost: \$50/student
Students will spend the 1st half of the day getting to know their likes and dislikes, qualities they value in a career, and explore job possibilities they may have never considered. We will spend time considering occupational settings and the various careers associated to help students think outside of the traditional career paths. The 2nd half of the day will be spent honing the soft skills employers are require, such as problem solving, motivation, and teamwork by doing escape room type activities.

Grades: 4-8
Minimum: 6 students

Closing the Learning Gap at Hogwarts

Presenter: Stephanie Daniels
Time: July 19, 2022
Location: TIU 11*
Cost: \$75/student**

Practice skills lost during the Covid pandemic or simply prevent some of the summer slide by stepping into the world of Harry Potter. Students will be divided among four houses and earn house points as they work through various activities. For example, participating students will use Greek and Latin roots to create spells in Charms Class, perform basic math computations while making slime in Potions Class, write for the Daily Prophet, and decipher ancient runes in an escape room type scenario.

Grades: 4 - 8
Minimum: 8 Students

***Price difference reflects additional materials for making wands, slime, etc. that students will take home at the end of the day.*

Environmental Explorations through STEM

Presenters: Ed Tech Department
Time: July 26 - 28, 2022
Location: TIU 11*
Cost: \$175/student

During this three-day camp, participants will explore the local environment through a variety of hands-on, tech-infused activities. Planned activities include water quality testing and species identification at a local riverside park, building and programming a plant monitoring system using micro:bit micro-controllers and sensors, drone mapping, tree planting, and more. Cost includes a take-home kit consisting of a micro:bit and a variety of sensors.

Grades: 4 - 8
Minimum: 10 Students
Maximum: 20 Students

Building Citizenship through the Medal of Honor (Grades 2-5)

Presenter: Tim Miller
Time: July 6-7, 2022
Location: TIU 11*
Cost: \$75/student,

The Medal of Honor Character Development Program is a resource which teaches courage, commitment, integrity, sacrifice, citizenship, and patriotism to students through educationally grounded lessons developed by teachers. These six values are embodied in the Medal of Honor and exemplified in the actions for which it has been awarded.

Resources of the Character Development Program teach students to recognize and exemplify these values, making them useful as Social Emotional Learning resources, as a classroom management system, or as a tool to create a positive and healthy school culture. These character education lessons feature extraordinary military and civilian stories, providing students with concrete examples to live by. Lessons are grounded in cross-curricular academics.

Grades: 2 - 5
Minimum: 6 Students

* **SINGLE DAY** - On-Site Option Available for school districts. See the Pop-Up flyer for additional information or email sdaniels@tiu11.org.
